

JAG  **JAG MATH SKILLS**

Description:	This event shall be a written test dealing with selected mathematics related problems.
Purpose:	To encourage JAG students to improve their ability to identify, solve, and apply mathematical principles involving addition, subtraction, multiplication, division, percentages, circumferences and areas, geometric problems, convert units of measure using a conversion chart, and solve basic algebraic equations.
Eligibility/Entries:	Each state is eligible to submit a maximum of 3 competitors. Competitors in this event are not eligible to compete in the Employability Skills or Public Speaking Events.
Competencies:	D-25 and A1-F37
Competitive Event Time:	The allotted time for completion of the test is 60 minutes.
Competition Rules:	<ol style="list-style-type: none">1. The competitor must declare his/her intent to enter this event on the conference registration form as per the established deadline.2. The test will consist of fifty (50) test items and ten (10) tiebreaker questions.3. All competitors shall report to the site of the event at the time designated for the event orientation. The test will immediately follow the orientation.4. Test Instructions: All competitors will be given a test, and two (2) sheets of blank paper. After instructions have been given, the competitors will be notified to start the test. There will be a maximum of 60 minutes to complete the test. Calculators or cell phones are not allowed to be used during the exam. There will be a verbal announcement when there are 15 minutes remaining for the test period. Competitors may be excused from the testing site promptly after completion of the test.5. A series of ten (10) complex, multi-step tie breaking questions will be administered with the original test. In case of a tie, successive tie-breaker questions will be used until a winner is determined. In the tie-breaker, correct spelling is required for an item to be considered correct.
